Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner acknowledges that the previous Office action with restriction requirements was sent in error since the amendment filed on 9/14/2005 cancelling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive. The restriction requirement will be withdrawn, and the applicant will be given a time period of one month or thirty days, whichever is longer, from the following this paper official notice to supply the omission or correction in order to avoid abandonment.
